Rossiter Memorial Lecture

At the lecture on Friday 1st Nov. 2019, James L. Grimwood-Taylor FRPSL spoke about his forthcoming book **'The worldwide postal reforms of 1838–1850'** and gave credit to the Stuart Rossiter Trust for the research grant he had received from the Trust. His research has taken three years and the research grant has been supportive throughout that time.

The Book is expected in May 2020 and will be published by the Royal Philatelic Society London.

This is an example of the Trust facilitating research leading to publication by another publisher.

The Memorial Lecture 2020 will be held in November 2020. Details will be announced here when confirmed.
